Beisfjord

A small fjord with a lot of history,
beautiful surroundings and lots of
charm.

Hunting the Northern Lights

Join us on the hunt looking for the northern lights in the beisford mountains. A sledding ride to the Njalasouka-tent is the first step to an amazing adventure, where you end up in the high in the mountains in gorgeous surroundings.

Beisfjord POW camp

In June 1942, the SS set up a prison camp in the centre of Beisfjord to house 900 Yugoslavian prisoners. Later this turned out to become a huge massacre. Read more about what happened at the POW camp in Beisfjord.

Beisfjord Gubben

This stone carving is something you will see in several logos situated in Beisfjord. Above you can see the well known Beisfjord Gubben stone that you can hike and visit along the side of the ocean.

Beisfjord Mini

If you want to see the football spirit from all ages, Beisfjord mini is something worth experiencing. It is one of the biggest events in the fjord and is stretched over a whole weekend.
